

attorney to reiterate the agency's initiative to remove from its pending petition inventory those petitions that are no longer being pursued by the petitioner. In that letter, the agency stated that if Dairy Crest Foods, Ltd., wished to pursue the petition, the agency would continue to work on it. However, if Dairy Crest Food, Ltd., did not wish to pursue the petition, the agency requested that Dairy Crest Food, Ltd., withdraw the petition without prejudice to a future filing. FDA asked that the petitioner inform the agency of its decision within 30 days of the date of the letter; the agency added that failure to respond within that time would be considered approval to withdraw the petition. As of this date, Dairy Crest Food, Ltd., has not responded to FDA in any way. Therefore, the agency is announcing that it considers this petition to be withdrawn by the firm, without prejudice to a future filing (21 CFR 171.7).
